

Membership Application Form

Join WAITRO! Be a link of the Global Network for Research and Technological Organizations. Reap the benefits of membership from opportunities for business linkages, networking, technology transfer, knowledge sharing and collaboration.

Types of membership

Technical membership

Organizations are actively engaged in industrial and technological research and development.

Sustaining membership

Organizations that are active in encouraging and promoting technological research and assisting the Association with financial support or by otherwise advancing its aims.

Subscription

The subscription fee per annum is based on per capita income of the country in which the applicant organization is located, using the per capita income values published by the World Bank.

Per capital income (USD)	Subscription per annum (USD)
below 1,000	450
1,000 to 1,500	750
1,501 to 2,500	1125
above 2,500	1300

Please send the completed Application Form to the Secretariat.
